

COVID-19 TESTING at SHC, 2021-22

Sacred Heart Cathedral has partnered with *COVID Testing Today* to provide weekly COVID-19 PCR tests for those who need to provide the school with a negative COVID-19 test weekly. Participating in this testing program is optional. If you prefer, you may continue to get COVID-19 PCR tests on your own and submit them to attendance@shcp.edu.

If you choose to test at SHC with *COVID Testing Today*, they will bill your insurance company directly. Test results are usually available within 24 hours and both you and the school will receive the results, so you will not need to forward the result to the school.

In order to test at SHC, you must first book online. This is a one-time registration process. Upon completion you will be “booked” for the next test date. For future tests, as long as you are in the system, you may simply show up and tell them your name. Multiple students can be registered using the same cell phone number in the event you have more than one SHC student. If you do not have health insurance, the form collects a state ID, or just a name if you do not have a state ID. [Please register here.](#)

These COVID-19 tests will take place from **11 am-1 pm in the Merson Courtyard off of the De Paul Lobby**. People should plan to get tested during their lunch period on test days. There are no make-up times. If you miss the on-campus test, you will need to take a PCR test elsewhere and email attendance@shcp.edu your results.

The first on-campus COVID-19 testing will take place on Thursday August 26, 2021. Negative results from this test will clear people to be on campus for the week of August 30-September 3, 2021.

All subsequent tests will take place every Tuesday (starting Tuesday, August 31, 2021).

Here is the schedule for the rest of 2021:

Thur	Aug 26
Tue	Aug 31
Tue	Sept 7, 14, 21, 28
Tue	Oct 5, 12, 19, 26
Tue	Nov 2, 9, 16, 23, 30
Tue	Dec 7, 14

Below is contact information for *COVID Testing Today*, should you have any questions:
